CONCENTRIC EQUITY PARTNERS INVESTS IN ENTECH GLOBAL SOLUTIONS

Chicago, IL and Manila, Philippines - Concentric Equity Partners has invested in ENTECH Global Solutions, a Southeast Asia focused provider of commercial and residential pest management, professional cleaning, and environmental services. Terms of the transaction have not been disclosed. Headquartered in Metro Manila, and employing more than 250 people, ENTECH is one of the leading integrated facilities management companies in the country serving clients in a wide array of industries including hospitality, food & beverage, healthcare, and malls along with residential and commercial buildings. ENTECH differentiates through its premium service quality which involves a total care system of integrated services to effectively solve long-term challenges.

Entech intends to utilize CEP's global network, expertise and resources to support its growth strategy by evolving into a multi-national integrated pest control and facility services platform with market leading operational and financial capacities. Learn more at www.entech.com.ph.

Walden Chu, CEO of ENTECH, says: "I am truly humbled that ENTECH is teaming up with CEP, a distinguished investment group that believes in the potential of ENTECH, our vision for growth, and will support us in accelerating our multi-year growth strategy. We will continue to expand our markets to create and deliver more value for all stakeholders we serve, including our Clients, Team Members, and the communities in which we operate. We remain extremely focused on the people side of our business, and will continue to invest in the incredible potential of our teams."

Ian Ross, Partner at CEP, adds: "ENTECH operates in a highly attractive industry in one of the most desirable parts of the world for pest control services. Asia Pacific represents the fastest growing pest control market globally, and key market drivers for ENTECH's services include population growth, a growing middle class, and increasing regulations around hygiene and sanitation. There is a crucial need-based service for all clients ENTECH serves. We have been impressed with ENTECH's market position, strong track record of revenue and market share growth, as well as the experience and passion of the team."
